EXECUTIVE SUMMARY

Chris joined Perkins & Co in 2000 and has 26 years of tax experience in public practice and private industry. His experience spans all facets of the tax function and provides value to management, operating groups and owners through quality tax and financial planning and issue resolution.

Prior to Perkins & Co, Chris spent ten years with Price Waterhouse and seven years in corporate tax management in large financial, manufacturing and real estate sector companies. His background includes experience in tax planning and compliance for a broad range of industries including manufacturing, wholesale and distribution, and professional services.

Chris has experience in federal and state tax planning and compliance, multi-state tax planning, federal and state appeals and audit resolution, accounting method changes, partnerships, trusts, S corporations, individual taxation, and provides planning and due diligence to clients for sale, acquisition and merger transactions.

Chris also has substantial international tax experience as well as FAS109 and FIN48 financial statement reporting experience. He has worked with issues involving cross border tax planning and financial statement tax reporting for domestic subsidiaries of foreign parent companies.
