

Lisa Goecke

CPA, ABV, CFF | Shareholder

Lisa got her start in public accounting in 1986 and has been with Perkins & Co since 1990. In 2002, she was elected shareholder. Lisa concentrates her practice on audit and business consulting for closely held businesses, including valuations, management succession, mergers and acquisitions, and estate planning.

Her clients include investment funds as well as businesses in transportation, manufacturing, professional services, distribution, and real estate. Lisa enjoys strong, long-term relationships with many of her clients due, in large part, to her ability to provide a full spectrum of business advisory services.

In 2014, Lisa became the managing partner of our Washington office, as she is heavily involved in the Vancouver community. An active board member of the Columbia River Economic Development Council (CREDC), Lisa works with prospective companies looking to move into Clark County, encouraging growth and sustainability of the region.
